ABOUT INDIAN INSTITUTE OF TECHNOLOGY DELHI (IITD)

The Indian Institutes of Technology (popularly known as IITs) are institutions of national importance established through an Act of Parliament for fostering excellence in education. There are fifteen IITs at present, located at Bhubaneswar, Chennai, Delhi, Gandhinagar, Guwahati, Hyderabad, Indore, Jodhpur, Kanpur, Kharagpur, Mandi, Mumbai, Patna, Ropar and Roorkee. Over the years, IITs have created world class educational platforms dynamically sustained through internationally recognized research based on excellent infrastructural facilities. The faculty and alumni of IITs continue to make a huge impact in all sectors of society, both in India and abroad.

The Indian Institute of Technology Delhi, established in 1961, is one of the premier institutes for technology and management education in India. IIT Delhi, situated in Hauz Khas (South Delhi) has a sprawling campus spread over 320 acres. Imaginatively laid out with picturesque landscape, the campus has Academic Blocks, Residential Areas, Shopping Areas and Play Grounds with well connected and neatly laid out roads. Recently, IIT Delhi completed 50 years of its existence and organized several activities to celebrate the Golden Jubilee.

ABOUT BHARTI SCHOOL OF TELECOMMUNICATION TECHNOLOGY AND MANAGEMENT (BSTTM, IIT DELHI)

Bharti School of Telecommunication Technology and Management was set up in year 2000 through a joint initiative of IIT Delhi and Bharti Enterprises, with a vision "To develop Telecom Leaders through excellence in education and research".

Bharti School of Telecommunication Technology and Management offers Ph.D. Programmes, M.S. (Research), M.Tech, M.B.A. and Post-Doctoral Fellowships.

Over the years the School has emerged as a premier institute in developing 'Young Telecom Leaders' that will make India a telecom superpower. The School has been continuously coming up with new programs to maintain a vibrant learning environment since its inception.

ABOUT THE CONFERENCE

International Conference on Telecommunication Technology & Management (ICTTM 2015) is being organized by Bharti School of Telecommunication Technology & Management, IIT Delhi, India. The conference aims to bring together academia, industry and researchers from all over the world to come together, interact, exchange views and develop telecom industry.

The conference would be of two days where several thought leaders and researchers would discuss the most prominent areas of research and developments in Telecom area. The conference organizing committee will include faculty members from IIT Delhi and partnering institutes and as well as members from Government Organizations, Telecom Operators & Manufacturers. Concepts, Papers and Products that develop new ideas or theories, attempt to advance our understanding of real world phenomenon, and/or address any of the key research themes are encouraged. Concepts & Papers may take an individual or organizational perspective.

All accepted papers will be subjected to a blind review process as this is a refereed conference. The authors of accepted papers will be given the certificate of acceptance of research paper. In order to get registered for the conference, full paper submission is must. After submission and selection participants may submit their request for excluding their paper from proceedings at the time of registration if required. For such requests, only abstract will be included in the souvenir. Kindly note that only way for submitting the abstract is by sending email to the conference email id. Also refer to the FAQs in the website before submission.

PUBLICATION OPPORTUNITIES

All accepted papers will be included in the Conference Proceedings (with an ISBN Number). Selected papers will be recommended for publication in a reputed Journal. The authors of accepted papers will be given the certificate of acceptance of research paper by Bharti School of Telecommunication Technology & Management, IIT Delhi for the refereed conference.

ABSTRACT SUBMISSION DETAILS

The selection of papers will be made on their importance and interest to a wide range of delegates. Please indicate which of the conference themes your paper fits best. Papers represent the majority of the submissions and form the scholarly sessions of the program. Guidelines for abstract preparation:-

- Abstracts (maximum 300 words) describing the scope of the paper, methodology and its main conclusions
- Times New Roman 12-point font
- Microsoft Word
- Single Spacing
- Harvard Style Referencing
- Brief biography (maximum six lines) and author contact details including Author’s position, organization, address, telephone/ mobile, and email.

Abstracts and Full Papers should be sent via e-mail to: [icttm2015.info@gmail.com](mailto:icttm2015.info@gmail.com)

All accepted papers/abstracts will be peer reviewed and will be included in our conference proceedings (unless otherwise requested). Full paper submission guidelines are mentioned in the conference website: [www.icttm-iitd.in/](http://www.icttm-iitd.in/)

PAPER SUBMISSION GUIDELINES

Upon the acceptance of abstract, candidates will be intimated to submit the registration form along with the full paper as per the guidelines. Submitted papers must NOT have been previously presented, scheduled for presentation, published, accepted for publication and, if under review in a journal, must NOT appear in print before the conference dates. Detailed guidelines for submission of full papers are given on the conference website. The papers will be accepted subjected to the blind review and the changes should be incorporated as per the feedback.

IMPORTANT DATES
